

From the Overseer's Pen,

Greetings and welcome to 2020 where we have declared that **We Are #JudahStrong!**

We stand on the prophetic declaration made to the tribe of Judah in Genesis 49:8-9, "Judah, you are he whom your brothers shall praise; your hand shall be on the neck of your enemies; your father's children shall bow down before you. Judah is a lion's whelp; from the prey, my son, you have gone up. He bows down, he lies down as a lion; And as a lion, who shall rouse him?" (NKJV).

The year 2020 and beyond is our time to declare our vision and to walk in the grace and favor over our lives, our ministry, and our church. I prophesy and declare every area of weakness will be made strong this year. This is not just for our church but also in your life. The strength of God shall be your portion!

With everything that is happening in our country, it is imperative that we focus on our mission to bring help, healing and hope to world one life at a time. We will increase our evangelism efforts in 2020. Ministry Teams will embrace the W.I.F.E. model. Let us make a strong commitment to our E1R1 Campaign, where we change the life of at least one person by introducing them to Christ and Judah Christian Center. We want to **ACTIVATE** every person at Judah through service opportunities to help make us better and stronger. We also want to focus on our young adults and create a platform for fellowship, service and spiritual growth.

This year also marks the 16th year of our church. It is through God's grace and the faithful, dedicated and hardworking people here that we have been able to render great ministry to our community, the Body of Christ and to the world. We continue to strive for more effective ministries and excellence in all areas, as we position our church for the future. Success will take consistent giving, dedicated service and willing sacrifices. Nevertheless, we know that if we are faithful over the few, God will make us ruler over plenty.

Stand with me in your commitment to pray daily for our church, participate at our church, and promote our church. I believe God will exceed our expectations!

Kingdom Blessings
